OFFICIAL INVESTOR PLANNING DOCKET • 2026–2027 EDITION

GMADA AEROCITY MOHALI — MASTER PLAN & INVESTMENT GUIDE

Comprehensive Macro-Corridor Framework, Block-by-Block Plot Valuation (Blocks A to J), Arterial Expressways (PR-7 & PR-9), and Certified Due Diligence Protocols.

~1,000	10 Blocks	200-Ft PR-7	5–7 Mins
ACRES MASTER TOWNSHIP	RESIDENTIAL SECTORS (A–J)	AIRPORT COMMERCIAL SPINE	TO SBS INTL. AIRPORT

Strategic Location: Situated directly along PR-7 Airport Road corridor passing Matran & Baqarpur, adjacent to IT City Mohali. **Pin Context:** Vedang Properties HQ (#171 MCC-2)

EXECUTIVE URBAN FRAMEWORK & ECONOMIC MOAT

GMADA Aerocity represents SAS Nagar's benchmark planned township, bridging Chandigarh's southern sectors directly with the Shaheed Bhagat Singh International Airport (IXC) and the sprawling 5,500-acre upcoming Aerotropolis. Unlike unorganized suburban clusters, Aerocity was systematically developed by GMADA with 100% underground high-voltage electricity lines, dual-carriageway 200-ft PR-7 arterial boulevard, centralized drainage networks, and dedicated municipal water stations.

ARTERIAL HIGHWAY & TRANSIT INFRASTRUCTURE

- **200-Foot PR-7 Airport Road:** Serves as the primary 8-lane expressway connecting Zirakpur (NH-7 Delhi-Patiala Highway) directly to Kharar and New Chandigarh, lined with premium corporate headquarters, retail malls, and automobile hubs.
- **Upcoming 200-Foot PR-9 Southern Bypass:** High-speed ring expressway bordering southern Aerocity and IT City, granting direct signal-free bypass transit towards Panchkula, Haryana, and the Himalayan Expressway.
- **Direct Chandigarh Access:** Direct, congestion-free 10-minute connectivity into Chandigarh Sectors 48, 49, 50, and 63 via broad master plan dividing roads.
- **Immediate IT City & Educational Catchment:** Borders Mohali IT City (Infosys, QuarkCity) and premier research institutions (Plaksha, Ashoka, Amity, NABI, IISER), ensuring high white-collar tenant demand.

1. BLOCK-BY-BLOCK PRICE MATRIX & CHARACTER PROFILE (BLOCKS A TO J)

BLOCK	2026–2027 RATES (₹/SQ. YD.)	PLOT SIZES (SQ. YD.)	LOCATION ATTRIBUTES & INVESTMENT CHARACTER
Block A	₹75,000 – ₹98,000	100, 150, 200, 300, 500	Chandigarh gateway (Sec 48/49 proximity); high concentration of bespoke 1 Kanal luxury kothis; tranquil green avenues.
Block B	₹78,000 – ₹98,000	150, 200, 300, 500 (1 Kanal)	Adjacent to Block A with wide green belts; high end-user occupancy; exceptional resale liquidity for 300 and 500 sq. yd. plots.
Block C	₹88,000 – ₹1,12,000	100, 150, 200, 250, 300	Highest valuation in Aerocity; direct PR-7 commercial frontage; dense Stilt + 3 builder floors; strong rental yields.
Block D	₹85,000 – ₹1,08,000	100, 150, 200, 300	Facing active commercial sector hubs and high-street retail; walking access to banks and markets; superior turnover speed.
Block E	₹72,000 – ₹92,000	150, 200, 300, 500	Favored residential haven; broad 60-ft & 80-ft interior dividing roads; large landscaped parks; preferred by doctors and civil officers.
Block F	₹70,000 – ₹90,000	150, 200, 300, 500	Central residential pocket with peaceful surroundings; high density of independent custom construction; steady capital growth.
Block G	₹68,000 – ₹88,000	100, 150, 200, 300	Direct frontage to IT City corridor (Infosys campus); robust tenant rental demand from corporate IT and engineering executives.
Block H	₹68,000 – ₹86,000	100, 150, 200, 300	Proximity to airport approach road and university campuses (Plaksha/Amity); rapid liquidity for 150 & 200 sq. yd. builder floors.
Block I	₹65,000 – ₹82,000	100, 150, 200, 250, 300	Growth frontier with high capital appreciation runway; directly benefits from upcoming PR-9 bypass ring expressway.
Block J	₹65,000 – ₹80,000	100, 150, 200, 300	Most accessible capital entry ticket in GMADA Aerocity; outstanding 3-to-5 year holding returns as Aerotropolis develops.

Preferential Location Charges (PLC) Guidelines: Corner plots command a **+10%** premium; direct park-facing parcels add **+10%**; plots abutting 60-ft, 80-ft, or PR-7 dividing roads carry **+15%**. North-east morning sun exposure commands highest buyer preference.

2. STANDARD PLOT DIMENSIONS & METRIC CONVERSION REFERENCE

4 Marla (100 Sq. Yd.)
900 Sq. Ft. • 25' × 36'
Budget-conscious custom homes & 3-storey independent builder floors. Highly liquid.

6 Marla (150 Sq. Yd.)
1,350 Sq. Ft. • 30' × 45'
Most popular size for modern 3 BHK builder floors with lift and stilt parking.

8 Marla (200 Sq. Yd.)
1,800 Sq. Ft. • 30' × 60'
Standard family kothi size offering spacious front parking and back garden setbacks.

10 Marla (250 Sq. Yd.)
2,250 Sq. Ft. • 33' × 68'
Exclusive mid-size luxury plots situated on prominent internal 40-ft and 60-ft avenues.

12 Marla (300 Sq. Yd.)
2,700 Sq. Ft. • 36' × 75'
Luxury villa cuts with wide frontage; supports 4 BHK luxury kothis with double-height lobbies.

1 Kanal (500 Sq. Yd.)
4,500 Sq. Ft. • 50' × 90'
Flagship luxury estate parcel; predominantly in Blocks A, B, and E with expansive private lawns.

3. ASSET COMPARISON: FREEHOLD PLOTS VS. BUILDER FLOORS

GMADA Freehold Plots (Land Asset):
Complete land title ownership; zero construction depreciation; maximum 12%–18% unearned capital compounding; ideal for multigenerational wealth and NRI portfolios.

Independent Builder Floors (Stilt + 3):
Lower ticket entry (₹65L–₹1.35 Cr); ready for immediate possession; high 3.5%–4.5% gross rental yield; private lift and dedicated covered stilt car parking.

PUNJAB STAMP DUTY & TAXES (2026–2027)

Property conveyance at Sub-Registrar DAC Sector 76 SAS Nagar:

- **Male Buyers:** 7% Stamp Duty + 1% Reg. = **8% Total**
- **Female Buyers:** 5% Stamp Duty (2% state rebate) + 1% Reg. = **6% Total**
- **Joint Spousal:** 6% Stamp Duty + 1% Reg. = **7% Total**
- **Collector Benchmark:** ₹28,000 – ₹38,000 / sq. yd.

*Stamp duty is payable on the higher of the transaction value or the notified government collector rate.

GMADA TRANSFER PROCEDURE STAGES

Resale transfers follow two statutory regulatory paths:

- **Stage 1 (PUDA Bhawan Sec 62):** For un-registered allotted plots via GMADA Official Transfer Permission. Biometric verification of both parties required.
- **Stage 2 (Sub-Registrar Sec 76):** For plots with registered conveyance deeds. Requires GMADA No Dues Certificate prior to Sub-Registrar execution.

CRUCIAL BUYER DUE DILIGENCE CHECKLIST (5 MANDATORY CHECKS)

- **1. Certified GMADA No Dues Certificate (NDC):** Verify that the seller has zero outstanding installment balances, interest defaults, or administrative dues at PUDA Bhawan before paying an earnest token advance.
- **2. Non-Construction Extension Fee Scrutiny:** GMADA enforces mandatory construction completion within 3 years from possession. Compounding annual extension penalties range from ₹3 Lakh to ₹10+ Lakh. Demand written verification that no extension penalties are pending.
- **3. Sanctioned Architectural DPC Certificate for Builder Floors:** If acquiring an independent builder floor (Stilt + 3), confirm the developer holds an officially sanctioned building plan, DPC certificate, and formal completion certificate from GMADA.
- **4. Section 47-A Indian Stamp Act Compliance:** Ensure deed consideration aligns with Sub-Registrar benchmarks to prevent deed impoundment and penal audit interest under Section 47-A.
- **5. Beware of Unapproved 'Near Aerocity' Colonies:** Never invest in private farmland advertised as 'Aerocity Touching' or 'Aerocity Extension'. Genuine GMADA Aerocity properties reside strictly within official GMADA sector grids.

FEATURED LIVE INVENTORY & AEROCITY OFFICE ADVISORY

DIRECT-OWNER LISTING — **Ready for Transfer / Registry**

300 Sq. Yd. Resale Plot — Block E, GMADA Aerocity

Prime rectangular plot in well-inhabited Block E. Wide approach road, 100% GMADA dues cleared, clear title, immediate possession. Direct owner negotiation with full title inspection through Vedang Properties desk.
